

## ABOUT

I do LIVE by JDHendustries is a wedding media production company specializing in hybrid and virtual event experiences. We take wedding videography to the next level. Content creation and guest engagement are at the core of our services.

What started out as a response to the pandemic and the need for human connection regardless of location, I do LIVE by JDHendustries continues to create rich and accessible virtual and hybrid events for all wedding types. The technology is here and we use it!

## WEDDING MEDIA LIKE NO OTHER

We think beyond a video at the end of your wedding. We are filmmakers and experience curators. We produce media and engagement for guests attending in-person, hybrid, and fully virtual weddings all in 4k. We combine a reality show feel with cinematic delivery in all types of spaces.

## THE FOUNDER

**Jourdain D. Henderson.** A southern gentleman. Education technologist. Human capacity builder. Strategist. Industry shapeshifter. Creative. Instructional designer. Producer. Storyteller. A voice.
